Contest Rules

The National Circus School reserves the right to determine the physical and artistic activities that the winner will participate to. The participant will not be able to practice circus without the supervision of a trainer of the school. No exceptions to the safety rules of the School will be accepted.

It is understood that no compensation may be claimed from the producer or National Circus School for the days devoted to the contest finals and the broadcast. An accepted candidate assumes all costs associated with his or her participation, including transportation, and parking costs.

By participating in the Contest, the applicant agrees to sign all necessary documents required by the National Circus School. Since candidates are aged under 18, the parent or guardian of the winner will have to consent on their behalf.

Documents submitted upon registration will not be returned and will become the property of the National Circus School, which can dispose of it as it wishes. The winners guarantee that the information sent to the National Circus School is true and current.
